

Application No.: 09/836,415
Group Art Unit: 3611
Examiner: Kevin Hurley

AMENDMENTS TO THE SPECIFICATION:

A new specification is attached. The red ink marked-up copy of the original specification utilized by the undersigned in preparing the new specification is also attached. The new specification corresponds exactly to the marked-up copy and is fully supported by the original disclosure of this application. The new specification does not introduce any new matter into this case.

With the approval of the Examiner, the new specification should be substituted for the specification originally filed in this application.
